FICCI SMART POLICING AWARDS

Modern cities are witnessing integration at various levels, and thus the need for a modernised, integrated and secured security system. The requirements of the modern police forces have been appropriately captured by the Prime Minister Shri Narendra Modi in the expression "SMART Policing". He emphasised that a professionally efficient, technologically enabled, socially sensitive police upholds the rule of law and human rights in all situations and is also engaged optimally with the community.

India is the one of the fastest growing economies in the world. Along with the economy, there has been an exponential growth of population in cities and metros. In order to maintain this esteemed position, we should thus focus on maintaining safety and security of our citizens, businesses and critical infrastructures. India will have 100 smart cities in the coming years. SMART policing is thus an essential requirement. This has become more important in the light of increase in organised crime in urban spaces and the growing nexus between terrorist organisations the world over. Given the advancement in technology, the future of internal security and policing infrastructure lies in better use of data and information for pre-emptive policing.

In 2016, FICCI instituted the first ever SMART Policing Awards, which recognizes the best practices in policing in India. The objective of the Awards is to showcase initiatives taken by the various Internal Security Forces for the safety and security of citizens. This can change public perception and build positive and progressive image of the Internal Security Forces.

In addition, FICCI compendiums of best practices were prepared and shared with the relevant ministries/departments in the Central as well as State Governments. These compendiums have helped govt. machinery and police departments in learning from the experiences of other states and also for possible adoption of the best practices to further enhance policing.

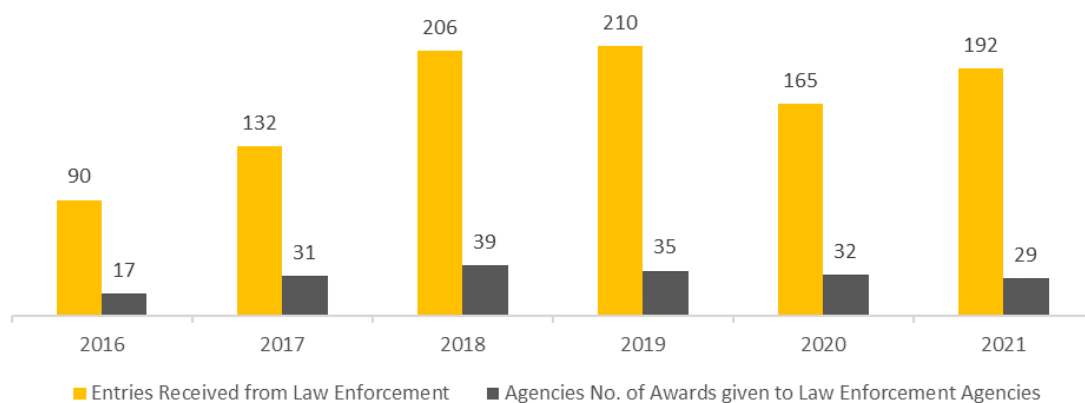

The publications are recognized by the Ministry of Home Affairs and the same have been uploaded on BPR&D website (<http://www.bprd.nic.in>)

The Compendiums could be downloaded by visiting:

2020 के लॉकडाउन के दौरान पुलिस को एक नए चैलेंज के साथ जनात ने देखा था। वे समझते हैं कि यही चैलेंज पुलिस का हर समय जनता के सम्मान बना रहे। कोई शिक्षावत ना हो कोई शिक्षा ना हो और पुलिस इसी जमाने के सभ्य काम करती रहे। यह जनता दुनिया के सम्मान आगवा तो बाहर इसी तरह के पुरस्कार और सम्मान पुलिस अधिकारियों और कर्मचारियों पर बरसते रहे।

—अशोक कुमार, डीजीपी

दिनों कोरोना संक्रमण के चलते ही मृत्यु हो गई थी। वे लोकजीत के बैच के सभ्य थे। लोकजीत ने कहा कि यह उनका नहीं बल्कि सारी टीम का प्रयास था। पूरी टीम को इस अवार्ड के लिए धन्यवाद।
